Applied Corporate Finance- 3rd Edition

Corporate finance is only a few decades old, and people have been running businesses for thousands of years; it would be exceedingly presumptuous of us to believe that they were in the dark until corporate finance theorists came along and told them what to do To be fair, it is true that corporate financial theory has made advances in taking commonsense principles and providing structure, but

THE HANDBOOK OF CORPORATE FINANCE - UNTAG

pearson-bookscom - who to read, what to know and where to go in the world of finance Find out more about the people and ideas that can make you and your finances more effective The imperatives of modern business mean that, sooner or later, every executive will have to get to grips with finance Its terms, its tools, its techniques Corporate finance touches every aspect of your business
